Important Information Regarding Extension of Time to File

An extension of time to file your tax return is NOT an extension of time to pay your taxes. Tax must be paid by the due date. You are automatically allowed an extension of up to six months to file your return. However, if the prepayment requirements have not been met on or before the original due date, penalties will be assessed.

General Instructions and Information

Corporation Identification Numbers

The Utah State Tax Commission uses the Employer Identification Number (EIN) as the corporation's taxpayer identification number with the state. The Utah Department of Commerce issues a registration number upon incorporation or qualification in Utah. Enter the EIN and Utah Incorporation/Qualification Number in the fields provided. Include your EIN or Utah Incorporation/Qualification Number for proper identification of the corporate tax return or correspondence.

Corporation Changes

Regulated investment company (RIC) changes (e.g., name change, merger, or ceasing to do business in Utah) must be reported to both:

Division of Corporations
Department of Commerce
160 E 300 S
Salt Lake City, UT 84145

and

Utah State Tax Commission
210 N 1950 W
Salt Lake City, UT 84134

Dissolution or Withdrawal

RICs that cease to do business in Utah must either dissolve or withdraw the corporation. RICs that are incorporated in Utah must file Articles of Dissolution with the Department of Commerce. In addition, Utah RICs are encouraged to obtain a Certificate of Tax Clearance prior to dissolution.

RICs that are incorporated outside of Utah (foreign) MUST obtain a Certificate of Tax Clearance from the Tax Commission before withdrawing from Utah. Foreign RICs must file an Application for Withdrawal with the Department of Commerce.

To request a Certificate of Tax Clearance, complete form TC-2001 and submit it to the attention of the Customer Services Call Unit at the Tax Commission address above.

To close your tax account, submit copies of all required documentation to the attention of Master File Maintenance at the Tax Commission address above.

Who Must File

Every regulated investment company (RIC) or fund of such company, as defined in IRC Sections 851(a) or 851(h), that is organized under the laws of Utah must file form TC-20R.

Due Date

Returns are due on or before April 15th (for calendar year filers) or the 15th day of the fourth month following the close of the taxable year (for fiscal year filers).

Filing Extension

RICs are automatically allowed an extension of up to six months to file a return without filing an extension form.

This is an extension of time to file the return - NOT an extension of time to pay taxes. To avoid penalty and interest, the prepayment requirements must be met on or before the original return due date and all returns must be filed within the six-month extension period.

Prepayment Requirements

Every RIC having a Utah tax liability of \$3,000 or more in the current year, or a tax liability of \$3,000 or more in the previous year, must make quarterly estimated tax prepayments.

An RIC is not subject to the prepayment requirements the first year the RIC is required to file a return in Utah, if the RIC makes a payment on or before the due date, without extension, equal to or greater than the minimum tax.

Quarterly prepayments are due in four equal payments on the 15th day of the 4th, 6th, 9th and 12th months of the RIC's taxable year. RICs may elect to make the quarterly prepayments equal to 90 percent of the current year's tax or 100 percent of the prior year's tax. As defined in IRC Section 6655 the applicable percentage of the required annual payment for annualized income installments, for adjusted seasonal installments, and for estimated tax payments based on the current year tax liability is the following:

<u>Installment</u>	<u>Percentage</u>
1st	22.5
2nd	45.0
3rd	67.5
4th	90.0

If a taxpayer elects a different annual period than the period used for federal purposes, the taxpayer must make an election with the Tax Commission at the same time as provided in IRC Section 6655. Prepayments should be made with form TC-559, "Utah Corporation Franchise/Income Tax Payment Coupon."

Prepayment of Minimum Tax

RICs that met the prepayment requirement in the **current** year and that had a tax liability of \$100 (the minimum tax) for the previous year, may choose to prepay the minimum tax amount of \$100 on the 15th day of the 12th month instead of four increments of \$25.

RICs that met the prepayment requirement in the **previous** year and have a tax liability of \$100 (the minimum tax) in the current year, may choose to prepay the minimum tax amount of \$100 on the 15th day of 12th month instead of four increments of \$25. In this scenario, the RIC must pay \$100, not 90 percent.

RICs not making the required tax prepayments are subject to a penalty as stated in "Penalties," below.

Minimum Tax

There is a minimum tax (privilege tax) of \$100 on every RIC regardless of whether the RIC exercises its right to do business.

Penalties

The penalty for **failure to file a tax due return** by the due date is the greater of \$20 or 10 percent of the unpaid tax. In addition, if a tax balance remains unpaid 90 days after the due date, a second penalty, the greater of \$20 or 10 percent of the tax balance, will be added for failure to pay timely.

The penalty for **failure to pay tax due** as reported on a timely filed return, or within 30 days of a notice of deficiency, is the greater of \$20 or 10 percent of the tax due.

The penalty for **underpayment of the extension prepayment** is 2 percent per month of the unpaid tax during the extension period. If the return is not filed by the extension due date, failure to file and failure to pay penalties will apply, as if the extension has not been granted.

Penalty for **failure to file an information return** or complete supporting schedule is \$50 for each return or schedule to a maximum of \$1,000.

The penalty for each **underpayment of required estimated tax or required quarterly installment** is determined by applying the state interest rate(s) in effect for the period of the underpayment, plus four percentage points, to the amount of the underpayment for the period of the underpayment.

For a list of additional penalties that may be imposed, refer to UCA §59-1-401.

The Tax Commission will calculate the penalty for underpayment of required prepayments. Taxpayers who would like to calculate their own penalty may contact the Tax Commission at (801) 297-7790 or 1-800-662-4335 for assistance.

Exceptions to Penalty on Estimated Tax

Annualized Exception

An RIC may annualize its income before determining the amount of each installment. It is recommended that federal guidelines be followed in determining annualized income. If the RIC meets the annualized exception at the federal level, for any installment, check the appropriate box(es) on form TC-20R, line 14.

Recurring Seasonal Exception

An RIC with recurring seasonal income may annualize its income before determining the amount of each installment. It is recommended that federal guidelines be followed in determining seasonal income. If the RIC meets the seasonal exception at the federal level, for any installment, check the appropriate box(es) on form TC-20R, line 14.

Interest

The interest rate applicable for most taxes and fees administered by the Tax Commission is two percentage points above the federal short-term rate in effect for the preceding fourth calendar quarter. The IRS publishes this rate in September of each year.

The interest rate for most taxes and fees administered by the Tax Commission for the 2002 calendar year is 6 percent.

Suspension for Failure to Pay Tax Due

Utah law provides for suspension of the RICs right to do business in Utah if the RIC fails to pay tax due before 5 p.m. on the last day of the eleventh month after the due date.

Supporting Federal Information

Form 1120-RIC, as filed with the IRS, should be included with the filing of the Utah Return (TC-20R). Other detail schedules should NOT be included with the initial filing. The Auditing Division of the Tax Commission may request these detail schedules at a later date.

Amended Returns

To amend a return use the tax form and instructions for the year you are amending.

Amend your return promptly if:

1. An error is discovered on your state or federal return after it has been filed; or

2. Your federal return is audited or adjusted by the IRS and the IRS audit or adjustment affects your state return. You must report such changes or corrected net income within 90 days of the IRS's final determination.

Do not submit an amended return for the purpose of claiming a loss carryback refund. The Tax Commission automatically calculates this. Any refund will be mailed to the corporation.

To qualify for a refund or credit, an amended return must be filed within three years following the date the original return was filed. A return filed before the due date is considered filed on the due date.

2. Indicate the reason for amending by writing the number in the box provided on the return.

The Reasons for Amending

2. You made an error on your state return (*attach an explanation of the adjustments made*);
3. Federal audit adjustments that resulted in changes in federal taxable income were issued and became final (*attach a copy of the IRS adjustment*);
4. Other (*attach explanation to return*).

Complete the return entering the corrected figures. Enter other amounts shown on the original return. When filing an amended return, enter the amount of tax paid with the original return and/or subsequent payments of the tax prior to filing the amended return less any previous refunds (exclude refund interest).

Purchases include amounts paid or charged for purchases made on the Internet or through catalogs. Credit is allowed for sales taxes paid to another state, but not to a foreign country. If the tax rate in the other state is lower than the Utah tax rate, the corporation is required to pay the difference. If the tax rate in the other state is greater than Utah's tax rate, no sales or use tax credit or refund applies.

Enter use tax of \$400 or less. If the amount exceeds \$400, the purchaser is required to obtain a sales and use tax license and to pay the use tax on a sales and use tax return.

Sales and use tax rates vary throughout Utah. Use the chart on the next page to find the tax rate for the location where the merchandise was delivered, stored, used or consumed. If the city is not listed, use the county rate. Complete the worksheet on the next page to determine the amount of use tax due. Credit for taxes paid to another state cannot exceed the Utah tax that would otherwise be due on those items. If sales taxes were paid to more than one state, complete a worksheet for each state.
